**New Advertisements.**

**Post-Office Item.**—Samuel M. Wal-  
lace has been appointed Postmaster at  
Pursley, Tyler county, Ohio. John L. Rob-  
inson, resigned.

This gentleman who did know how to  
open a fire-plug Monday night, called yes-  
terday to say that the one who did not is  
not a member of the present Fire Depart-  
ment. Our informant said he was. The  
fact appears to be that he was formerly,  
but is not now, a fireman.

**To be Result.**—We were told yester-  
day that the owner of the lot on which  
the buildings stood that were destroyed  
by fire Tuesday morning, has contracted  
for the erection of more permanent struc-  
tures on the same site. The construction is  
to be commenced as soon as the debris is  
removed;—the work to be pushed for-  
ward as rapidly as men and means can do it.

**New Building.**—Our neighbor across  
Main street, Mr. Alex. Rogers, has com-  
menced tearing down the old building  
fronting on South street, lately occupied  
by J. M. Matthews & Co., preparatory to  
the erection of a substantial structure on  
the same site. He contemplates the re-  
moval of the Main street front of the same  
building also, with the same object in view.

**Opening.**—The Children's Home in  
this city will be formally opened this  
morning. The doors of the Institution  
will be thrown open to the public at nine  
o'clock, and from that hour until four p. m.,  
the lady managers will be in attend-  
ance to show callers through the establish-  
ment. A cordial invitation is extended  
to all who feel an interest in the success  
of this Home for destitute children, to  
drop in and inspect the provision made  
for their comfort.

**Probable Fatal Accident.**—A child  
of Mrs. O'Brien, residing on the alley above  
Seventh street, between Zane and Clay,  
came near losing its life, Thursday, under  
the following circumstances: The mother  
had occasion to use some Concentrated  
Lye, and after taking out of the box what  
she wanted, failed to place it beyond the  
reach of the child. The little one got hold  
of the box, and had eaten a considerable  
quantity of its contents before it was  
observed by the mother. Physicians were  
at once summoned and measures instituted  
to counteract the effect of the alkali. The  
child was still living last evening, but  
little hope is entertained of its recovery.

**Church Re-opening.**—Zane street M. E.  
Church has been closed several weeks,  
undergoing a pretty thorough renovation  
with paint and fresco. Beautiful stained  
glass windows have been substituted for  
the ugly old ones, while the aisles, altar  
and speaker's desk have been nicely car-  
peted. The wood work, both in the  
main audience and Sunday school rooms,  
has been handsomely painted and grained;  
the walls and ceilings calcimined. The  
frescoing, while it is not elaborate, is  
classic in design and well executed.  
Altogether, the improvement is creditable  
to the congregation and the artisans.

The church will be re-opened for wor-  
ship to-morrow morning, as will be seen  
by an advertisement in another column.  
Re-union services will be held in the after-  
noon. We refer our readers to the notice  
elsewhere for particulars.

**FINED.**—Two or three evenings since a  
man named Ramp was brought before  
Esqr. Schultz, charged with violating a  
statute of the State. After hearing the  
testimony, the Justice imposed a fine of  
five dollars and costs.

During the examination of the witness-  
es, the defendant took occasion to abuse  
several of them. For this he was justly  
fined another five dollars and costs. These  
two items made up a bill entirely too large  
for the condition of Ramp's exchequer to  
liquidate, and a seizure at Fifth street was  
starting him in the face. While seated in  
the door of the Justice's office some one  
remarked that as there was no guard sta-  
tioned over the prisoner, he might seize the  
opportunity to escape. The observation  
was heard by Ramp, and he gave verbal  
assurance that he had no such intention.

The "Squire" proceeded to make out the  
commitment, and when it was finished, it  
was given to the proper officer for execu-  
tion. In the meantime, however, our hero  
had vanished the ranche, and was not to  
be found, nor have his whereabouts been  
discovered to the present writing.

**ROBBERY AT CAMERON.**—From a gen-  
tleman who came in over the Baltimore  
and Ohio Railroad, last evening, we learn  
that two stores in Cameron received visit-  
ations, Thursday night, from robbers.  
The establishments victimized were those  
of Messrs. Melford & Richardson and  
Messrs. Woodburn & Hicks. The safe of  
the first mentioned firm was blown open  
and \$115 taken therefrom. The robbers  
got only \$10 in cash, and a stock of ready-  
made clothing large enough for a second-  
class retail store, from the last named es-  
tablishment. Our informant states that  
there was no little excitement in Cam-  
eron, yesterday morning, when it became  
noised abroad that a bold and successful  
robbery had been committed. The rob-  
bers made good their escape with their  
booty, and at the hour the gentleman who  
gave us the information passed through  
the place, no clue had been ascertained to  
their identity or whereabouts.

**POLICE COURT.**—The fluctuations in the  
Police Court resemble the violent contrac-  
tion and expansion of the New York gold  
market on that "dreadful day" last Sep-  
tember, more nearly than anything else  
we just now think of. Thursday morn-  
ing there was only one case disposed of,  
and that a plain, simple drunk. Yester-  
day, there were seven, with very little var-  
iety, however, in the character of the  
charges, as the following exhibit will  
show: James Carney, disorderly, five  
dollars and costs; Barney Brady, disor-  
derly, ten dollars and costs; Wm. Shan-  
ley, disorderly, dismissed; Charlotte Mil-  
ler, disorderly, dismissed; Reinhold  
Blum, disorderly, ten dollars and costs;  
Henry Reese, drunk, one dollar and costs;  
Jack West, drunk, one dollar and costs.

**GRAN GAME AT BRIDGEPORT.**—Yester-  
day morning, an agent of a mercantile  
house in one of the Eastern cities, who  
had been here on business for the firm,  
went over to Bridgeport to take the 8  
o'clock train for Steubenville. He carried  
with him a satchel in which he had, be-  
sides his linen, about five hundred dollars  
collected here, orders for goods and other  
valuable papers. On his arrival at the  
depot, he stepped into the office and de-  
posited his satchel where he supposed it  
would be safe while he attended to some  
matters requiring attention. He was ab-  
sent but a moment, and when he returned  
his baggage was gone. Search for it was  
at once instituted, but no trace of it or  
the robber could be discovered.

**PERSONAL.**—We had a pleasant call  
last evening from Prof. A. D. Williams,  
State Superintendent of Schools. Else-  
where it will be seen that Prof. W. pro-  
poses to hold Teachers' Institutes in every  
county in the State.

**TO MEN OF BUSINESS** no house in Bos-  
ton is better than the AMERICAN, its pos-  
ition being the centre of commercial life,  
while no effort is spared to maintain the  
high rank the house has held so long.

than thirty different grades of American  
Watches, and a full line of Foreign  
Watches, in gold or silver cases. Also

rectly from Switzerland. They have been  
constituted agents in Wheeling for the  
National or Elgin, and Waltham  
Watch Companies, and have a large stock  
of their goods. Every watch guaranteed  
as a timer. Call at 104 Market street, be-  
low McLure House, for watches, jewelry,  
specimens, clocks, &c.

**GRAVEL AND CEMENT ROOFING.**—  
George Crumbacker would inform the  
public that he is still engaged in the  
Gravel Roofing business, and that he is  
prepared at any time to put on roofs, either  
large or small, at the shortest possible  
notice, guaranteeing his work for a term  
of years. He has now been engaged in  
the business for seven years past, and his  
work has outlived a half dozen other  
Patent Roofs. The demand for his work  
is increasing from year to year. He put  
on during the past year 1,500 squares of  
his roofing in this city, which has given  
satisfaction in every respect. Address  
him through the Post Office, or call at his  
brick-yard, head of Lindsey street. All  
orders will be attended to promptly.

**THE PRETTIEST WOMAN IN NEW YORK**  
—Miss K—, well known in our fash-  
ionable society for her *distingue* appear-  
ance and beautiful complexion, was once a  
sallow, rough-skinned girl, chagrined at  
her red, freckled face. She plied into  
Hagan's Magnolia Balm, and is now as  
pretty in complexion as she is charming in  
manners. This article overcomes freck-  
les, tan, sallowness, moth-patches, ring-  
worms, etc., and makes one look ten years  
younger than they are. Magnolia Balm  
for a transparent complexion, and Lyon's  
Kathairon to make the hair plentiful, luxu-  
riant, soft and delicate, and have no rivals.  
The Kathairon prevents the hair from  
turning gray, eradicates dandruff, and is  
the best and cheapest dressing in the world.

**THE HUMAN HAIR.**—Many persons  
abuse this delicate and beautiful ornament  
by burning it with alcoholic washes and  
plastering it with grease, which has no  
affinity for the skin, and is not absorbed.  
Burnett's Cocaine, a compound of cocon-  
ut oil, etc., is unrivaled as a dressing for  
the hair—it is readily absorbed, and is pecu-  
liarly adapted to its various conditions,  
preventing its falling off, and promoting  
its healthy growth.
